C. C. Lawson, Pastor.
Another link has been taken from the chain that binds time to eternity. Our privileges of doing good and getting good on yesterday are gone forever. If the evidence of our past lives were taken and passed on by an unbiased judge, where would he say we were going, to heaven or hell? Religion professed only is hollowed mockery, but religion possessed is a reality in deed and truth. Christians come to Sunday school at 9:30 a. m. Sunday and practice your profession and thereby make ready to live as well as to die. 10:45 sermon, "The Roll Call." On account of no gas we had to postpone the roll call announced some time ago, so let every member make a special effort to be present Sunday and answer to his name when called with a passage of scripture. Evening services: 6:30, Christian Endeavor, which service is followed at 7:30 by a special sermon, subject, "A New Year's Resolution." You will find a welcome at all these services.

FIRST BAPTIST CHURCH.
W. J. Eddy, Pastor.
The new year is a time for resolutions. There is no resolution that will be worth more to you than to resolve to come to church and Sunday school faithfully. If a man is slouchy about his Sunday obligations, it is likely that he carries that tendency into all of his obligations. Every man, woman and child ought to be in church on Sunday during these strenuous times. 9:30, Sunday school; 10:45, morning service, presentation of a "Service Flag"; Junior sermon, "Water and Dry Dirt"; reception of new members and the celebration of the Lord's Supper; 2:00, Sunday school Virginia avenue; 2:00, Junior B. Y. I. U., Ruth Bossman, leader; 6:30, Intermediate and Senior B. Y. P. U.; 7:30, evening service, subject, "The Present Opportunity." This service will be evangelistic.

The Home-Like Church.
J. W. Brown, Pastor.
No man can be entirely right with God unless among the other requirements he has a proper reverence for the Sabbath. How shall I use the Sabbath of 1917? should be a serious question with every man, woman and child. Let all the members of Diamond street church and congregation acknowledge Christ tomorrow by coming to His table. There is no better way to be in the Sabbath of the year. Holy Communion will be observed both morning and evening. The hour: 10:45 and 7:30. Sunday school at 9:30. We are expecting to be out in full force again. We have reason to believe the church will be warm and comfortable. All are urged to be present. The Epworth League service will be held at 6:30. Let the young people mobilize for service on this first Sunday of the New Year. Our week of prayer has aroused much interest in the coming evangelistic services. Important announcements will be made Sunday. The latch string of this church is out to everybody.

SAYS CHURCHES NEGLECT BOYS

The Brooks meetings at the Christian church are under headway with increasing crowds and interest at every service.

Plans are made for the church to make a complete religious census of the town tomorrow, covering every home and turning the records into the hands of the various churches of the city. Evangelist Brooks says that he is putting on a campaign that must go through, gas or no gas, heat or cold, rain or snow—the Lord's work must be done, he says.

Last night he took up the cudgel in defense of the boy and hammered the churches unmercifully for neglecting the boys.

"As proof of the fact that the churches is not reaching the boys, I say to you the solemn truth that tonight as I speak to you there are more boys and young men in the saloons, gambling halls and houses of prostitution of our land than there will be in all the churches combined in six months to come."

"The church is locked up—dark, foreboding and cold six days in the week and the Devil keeps open house daily and nightly with the heat and lights on."

"Give the young people something attractive to do; open the church doors and provide them with rest rooms, innocent games, libraries, gymnasiums; let them feel you are really interested in them; brighten up your music; cut down your sermons—put on a smile and you will save the boys." There will be no service tonight, but tomorrow will be a full day. Sunday night Mr. Brooks will speak on "An Old Love Story."

EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

IF FEVERISH, BILIOUS, CONSTIPATED, GIVE FRUIT LAXATIVE AT ONCE.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomachache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs." and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grownups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. A little zemo, obtained at any drug store for 35c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases. Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, easily applied and costs little. Get today and save all further distress. The E. W. Rose Co., Cleveland, O.
